Comments: _____

This information will be kept confidential, and is intended to be used solely by Blue Water Homes, Inc. for the purpose of serving your needs.

The registration of the Prospective Buyer will be for a period of 60 days. The registration is to protect the Agents/Brokers commission rights if the home buyer and builder enter into a sales contract within 60 days unaccompanied by the Agent/Broker. It is recommended that the Agent/Broker accompany the Prospective Buyer on their initial visit to avoid conflict with other Agents/Brokers. The Agent/Broker must contact Blue Water Homes, Inc. at (386) 276-3407, prior to their Prospective Buyers first visit to Blue Water Homes sales center. The registration does not protect the Agent/Broker from other Agents/Brokers that Blue Water Homes has no control over. It is the Agents/Brokers responsibility to maintain and control their relationship with their Prospective Buyer to prevent losing them to another Agent/Broker. After 60 days, this registration must be re-established. Failure to do so will be considered abandonment and could result in a sale by another Agent/Broker or the Builder.
